Proposed Amendment to Oceanids By-laws.

The nominating committee has proposed that By-laws be amended to add the position of President Elect to the elected officers of the Oceanids Board. We hope that through this process the President-Elect will have a year of experience before assuming this position. At the Spring Luncheon the membership will be asked to approve the following amendment.

"The President Elect shall assume the duties of the President in the absence of the latter, as assigned. On conclusion of the elected term of office, the President Elect shall succeed to the office of President. If the sitting President is able to serve additional terms the President Elect will also serve additional terms or give notice by January 1st."
